Sir,

Margaret and Mary Krasnov are buried in a Keenan lot (Section C Lot #12) in Saint Mary's Cemetery. To find the lot, you want to enter the cemetery by the first gate after the garage/chapel building. You should be on a newly paved road; take it to the end of the pavement and the Keenan lot should be in front of you – two back from the road.

Good luck. If you have any questions, don't hesitate to call.
